PRESIDENT'S MESSAGE

You are needed!

It is an exciting time to be living in San Diego. As they say, "We live in interesting times". Recently I was looking at some demographics for Serra Mesa with the following results: Population – 30,387; Median Age – 32.6; Households – 10,039; Persons per household – 2.57; Income per household – 72,245; Number of businesses – 1752; Number of employees – 82,329; Median house value – 442,800. So, what does all this mean? I always thought that we were this little community surrounded by canyons. A bedroom community with very little business and homeowners who worked all day and only returned to lock themselves in their homes. Shows how wrong I was.

It turns out that we are a significant part of San Diego and should take stock of who we are and what we can expect from those who care what we think and want. We are a significant part of the revenue that is sent to our City, County, State, and Federal Government. We have been ignored long enough and it is high time that we let our needs and wants to be heard. So now that we have stated our importance what is it that we want. What are some of the needs and concerns of our neighborhood? At our Council Meetings and various places where we congregate, we hear of the need for a local grocery store where we can shop with reasonable prices and selection without having to drive 5 miles to get there. Sorry but CVS just doesn't have it. At least we can get a few needed items, but it should be nice to shop at a local place where those who do not drive can

walk and pick up what they need. We tried a Farmer's Market for the last year and while it started out with a bang, a lack of shoppers and the price of local farmer's produce soon found our market barren because of lack of participation. Our Farmer's Market manager fulfilled his contract for a year and if it was successful, it would still be here.

The homeless is another concern and seems to be a growing problem throughout our City, State, and Nation. Pan Handling has become a local profession and there is hardly a corner around anymore without some individual with their hand out looking for money. Will work for food is no longer an option, they just want cash. When will we learn to stop supporting drug and alcohol habits and donate instead to agencies that are working on the situation? Our local police are faced with sending resources to the worst neighborhoods and thankfully we are not one of them. Resources to our area suffer until law reinforcement is stabilized. Thank goodness we have increased law enforcement pay so we can retain and attract new officers. We have an ear with Officer Tom Bostedt and Lt. Brown who attend each Community Council Meeting. Get a monthly report or ask about a specific problem.

Okay, so where am I going with this? The Serra Mesa Community Council is the answer, but we need your participation and assistance. Together we can solve our problems or at least make them known to those who can assist us. Our local elected officials except for Tony Atkins, who will be speaking at our March 28th Meeting, do not even come to our Council Meetings as they are too involved in "more important issues". People we need to stand together to get the respect we want. Don't like the topics at the meeting, tell us what you want. We are desperate to help the community solve some of our problems. We are the place where you can come and voice your frustrations as to what is wrong and what is right with Serra Mesa. I think we are the crown jewel of San Diego. Everything about us is positive we have a location, accessibility, and a great place to live. It just doesn't happen. Support our local Community Meetings on the 4th Wednesday, our Public Library, our Schools, our Recreation Center, our local businesses, and your local church, synagogue or mosque. We all need you!

Carl Demas, President SMCC

BEAR BUNS HAS NEW LEADERSHIP TEAM

Bear Buns Bakery & Cafe is a popular spot for coffee and munchies located on Greyling next to the Serra Mesa Post Office. It's a good hangout for neighbors to gather for refreshments and conversations.

Several years ago, the management team of Todd and Richard took over the operation and has had good success in enhancing the appearance and food options.

On March 3rd a new ownership team, with direct ties to the previous owners, will take over. Ashli Valdez has been the Bear Buns Baker for two years, part of a 13-year career as a baker. Michi Sowers for the past year has been the cafe's Lead Barista, managing the front desk and customer services of food and drinks. They will continue performing those duties and Johnny Valdez, Ashli's husband, is the 3rd new owner as a silent partner. Ashli and Michi are native San Diegans, growing up in Lemon Grove and graduating from Helix High School.

The close connection between new and previous owners was a key factor in the change. Per Ashli: "They wanted someone to keep the same concept, and Michi and I want that also. There'll be no big changes as we'll continue providing delicious cinnamon rolls, muffins, and sticky buns along with coffee and beverages."

Bear Buns is right next to the Serra Mesa Post Office at 3251 Greyling, just north of Sandroek. They open at 6 a.m. and close at 6 p.m. (Sunday 7 a.m. -4 p.m.), and serve food offerings to match breakfast, lunch and early dinner. For specifics check mybearbuns.com or call 858-573-2327.

# FREE CAREER TRAINING

SAN DIEGO CONTINUING EDUCATION

## Continuing Education leads the way for Entry-Level Medical Jobs

SDCE student at Cesar E. Chavez Campus in Barrio Logan

By: Allura Garis

Spring semester at San Diego Continuing Education (SDCE) is underway and healthcare career training is at its highest level of enrollment.

The healthcare industry is growing faster than ever due to recent changes in the United States' healthcare system. With this growth comes the demand for higher education and skilled workers.

SDCE offers free short-term healthcare career training to San Diego county residents 18+. While registered nursing programs can take minimally two to four years to complete, SDCE's Certified Nursing Assistant program can be generally completed in 260 hours or sixteen weeks.

Additional certifications include Personal Care Assistant/Caregiver and Home Health Aide.

"No one in my family has a high school diploma. This is a big deal for me. I want to show my daughter even if you have a big setback if you really fight for it you can do it," said Susana, SDCE student. Many students like Susana transition regularly from SDCE's Cesar E. Chavez Campus to City College to begin nursing classes.

"We are teaching students to envision earning beyond minimum or low wages, said Carlos O. Turner Cortez, Ph.D., SDCE President. "We are moving full force. We encourage SDCE students to earn income while they are learning and providing paid internships is a successful model."

Last year SDCE awarded nearly 10,000 diplomas and certificates of completion, an increase of 66% from the previous year.

Spring semester classes and free certificate programs at SDCE are currently enrolling. For more information visit, [SDCE.EDU](http://SDCE.EDU)

## THE “NEW” KEARNY HIGH SCHOOL

Did you know that Kearny High is composed of four small specialty schools? In 2004, Kearny closed and reopened as the Kearny High Educational Complex. Kearny’s four small schools are: The School of Digital Media and Design (DMD), The School of College Connections (SCC), The School of Engineering, Innovation, and Design (EID), and The School of Science, Connections & Technology (SCT). Each school is contained in a relatively separate area of the site. Shared spaces include the complex office, auditorium, gymnasium, library, student center, locker rooms, athletic facilities, and cafeteria. All schools operate on the same academic calendar and bell schedule. There is one principal who oversees all four small schools, and three of the four schools have their own vice principal.

Through this small school model, students can choose to specialize in curriculum that interests them and relates to their future academic and career goals. Teachers and administrators are able to get better acquainted students and their families, creating a more personalized educational experience with greater student accountability.

The Kearny campus has also felt “new” due to the opening of a new football stadium (with lights!), baseball field, and weight room in 2015. The gymnasium was also refurbished in 2017.

Interested in a tour? Contact school receptionist Maria Lopez at 858-496-8370 extension 2008 or [mlopez4@sandi.net](mailto:mlopez4@sandi.net).

## **SERRA MESA PLANNING GROUP ELECTIONS TO BE HELD ON MARCH 15**

The Serra Mesa Planning Group will hold annual elections at its next meeting on Thursday, March 15<sup>th</sup> at the Serra Mesa/Kearney Mesa Library. The election will be held at 6:45 pm. The Serra Mesa Planning Group meeting will begin immediately following the voting or 7:15 pm-whichever is later. Election results will be announced during the meeting.

To be eligible to be elected to the Serra Mesa Planning Group (SMPG), you need to live in the community AND/OR own a business in the community AND/OR own land in the community. You also need to have attended at least two out of the last three meetings.

Community Planning Groups provide official recommendations to the City of San Diego on community goals and land development proposals.

Members serve a two-year term with half of the 15-member board being open for election every other year.

If you've been to a Serra Mesa Planning Group meeting, you're probably noticed placards that contain the name of the member and the name of an elementary school. Although that member probably did not attend that school, the goal of the Serra Mesa Planning Group is to get representation from different parts of the community and, because Serra Mesa is generally a residential community with six elementary schools in the San Diego School District, it seemed to make sense to have at least two members from the area covered by each of the six schools.

Because of this it is actually possible to get fewer votes than another candidate and still get elected. Here's how that works. Let's say you live in (or own land in or own a business in) the Cubberley area. Let's also say there are two people running for one open seat in the Cubberley area. You get 10 votes but the other person-that does not live in (or own land in or own a business in) the Cubberley area- gets 11 votes. Because you are live in (or own land in or own a business in) the Cubberley area and the other candidate does not, you would win the seat-even though you got fewer votes.

But, remember, the goal is to get two members representing each of the six elementary schools-for a

Location: Wegeforth Joint Use Field, adjacent to Serra Mesa Rec

total of 12 members-but there are 15 members. That means there would be at least three "open" seats. So, in the earlier example, the candidate that did not win the seat for the school could still win an "open" seat by getting the most votes of those that did not get a "school" seat.

Finally, if there aren't any candidates for an open seat in an elementary school area, that seat would become an "open" seat and could be won by anyone meeting the requirements to be a Serra Mesa Planning Group member.

Note to Tom: Thanks for explaining this to me before I became a member!

**Observer Renewal**

When it is time to renew your Observer, the renewal date is highlighted and stamped, "to be renewed." Also, a postcard will be mailed and, if possible, a phone call is made to remind you. It is greatly appreciated if you pay as soon as you notice it's time to renew.

Maybe you have a special neighbor that you'd like to say "thank you" to, or maybe you have a new neighbor that you'd like to say "welcome." We highly recommend giving a subscription to the Observer (six editions/year). A post card will be sent to the recipient.

Please fill out the enclosed form and send it with your check to P.O. Box 23315,  
San Diego, CA. 92193.

## **Franklin Ridge Road Update**

An environmental lawsuit was filed on November 27 on behalf of the “Save Civita Because Sudberry Won’t” group. The group is suing to protect public safety and the quality of life in Civita and Serra Mesa. There are Serra Mesa residents on this group’s board, who will represent Serra Mesa’s interests. An environmental lawsuit can take a year or longer before being heard by a judge, who makes the final legal decision.

For more information about the Serra Mesa perspective, go to <http://www.serramesa.org/hot-topics/>; Civita perspective, <http://www.savecivita.com/>.

Additional funds are needed for the lawsuit. If you are interested in contributing, go to <http://www.savecivita.com/action-1.html>.

## Serra Mesa Housing History: Rancho Cabrillo Neighborhood

Gwen Sanchez via Suzanne Wells shared with us the original sales brochure for her home located in Rancho Cabrillo, an area of Serra Mesa, located south of Gowdy, north of Raejean, east of Greyling, and west of Chaucey. Here's the brochure information:

**"GREAT AMERICA HOMES!"**

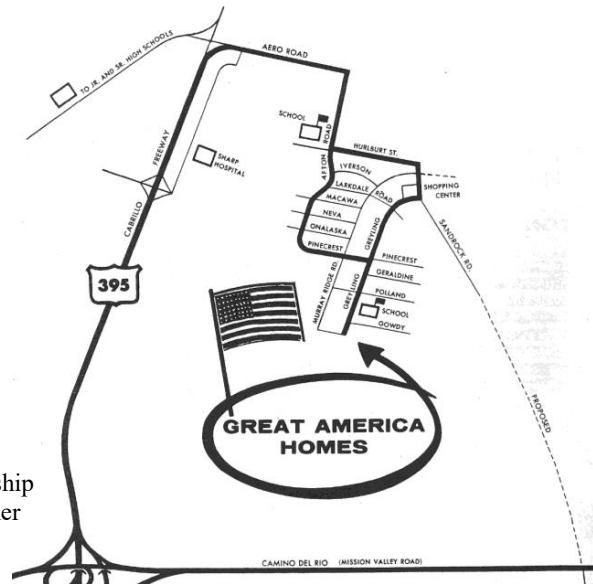

*California Contemporary Series*

IN BEAUTIFUL RANCHO CABRILLO

LUXURY HOMES DESIGNED FOR THE ENJOYMENT OF  
THE AMERICAN WAY OF LIFE AT ITS VERY BEST

GREAT AMERICA HOMES are nationally famous for design, craftsmanship and value. The new "California Contemporary Series" designs are even finer in every way than any of the wonderful Great American Homes of past years, with improvements and refinements in nearly every detail.

They are designed by a noted team of experts from basic surveys of the desires and needs of the modern American family. After 34 years of experience in building fine homes, Tri-W Builders has learned that you don't want a fad or a passing fancy, but a home that will never go out of style, that will always keep its prestige and value. Great America Homes are good, sound, conventional homes with maximum investment security for the years to come.
